# THE CONSOLIDATED FINANCIAL STATEMENTS

THE FINANCIAL STATEMENTS PRESENTED ARE EXTRACTED FROM CACEIS'S CONSOLIDATED FINANCIAL STATEMENTS THAT WERE CERTIFIED BY LEGAL AUDITORS AND LODGED AT PARIS' COMMERCIAL COURT ("GREFFE DU TRIBUNAL DE COMMERCE DE PARIS") WITH THE FOLLOWING PUBLICATION REFERENCES IN THE "BULLETIN DES ANNONCES LÉGALES OBLIGATOIRES" (BALO): ANNOUNCEMENT N°1902935 RELEASED ON THE 14<sup>TH</sup> OF JUNE 2019 AND ANNOUNCEMENT N°1903886 RELEASED ON THE 26<sup>TH</sup> OF JULY 2019.

## APPLICABLE STANDARDS AND COMPARABILITY

Pursuant to EC Regulation No. 1606/2002, the consolidated financial statements have been prepared in accordance with IAS/IFRS standards and IFRIC interpretations applicable at 31 December 2018 and as adopted by the European Union (carve-out version), thus using certain exceptions in the application of IAS 39 on macro-hedge accounting.

These standards and interpretations are available on the European Commission website at: https://ec.europa.eu/info/business-economy-euro/company-reporting-and-auditing/company-reporting/financial-reporting\_en

The standards and interpretations are the same as those applied and described in the CACEIS Group's financial statements for the financial year ended 31 December 2017.

They have been supplemented by the IFRS standards as adopted by the European Union at 31 December 2018 and that must be applied for the first time in 2018. These cover the following:

Standards, amendments or interpretations	Date published by the European Union	Date of first-time application: financial years from	Applicable in the Group
IFRS 9 "Financial instruments" Replacing IAS 39 "Financial Instruments: classification and measurement, impairment and hedge accounting"	22 November 2016 (EU 2016/2067)	1 January 2018	Yes
Amendment to IFRS 4 "Insurance contracts"/ IFRS 9 "Financial instruments" Optional approaches for insurance undertakings to manage the gap between the application of IFRS 9 and IFRS 4	3 November 2017 (EU 2017/1988)	1 January 2018	Yes
IFRS 15 "Revenue from contracts with customers" Replacing IAS 11 on the recognition of construction contracts and IAS 18 on the recognition of revenue	22 September 2016 (EU 2016/1905)	1 January 2018	Yes
Amendment to IFRS 15 "Revenue from contracts with customers" Clarifications to IFRS 15	31 October 2017 (EU 2017/1987)	1 January 2018	Yes
Improvements to IFRS cycle 2014-2016: IFRS 12 "Disclosure of interests in other entities"		1 January 2017	Yes
IAS 28 "Investments in associates and joint ventures"	7 February 2018 (EU 2018/182)	1 January 2018	Yes
IFRS 1 "First-time Adoption of International Financial Reporting Standards"		1 January 2018	No
Amendment to IFRS 2 "Classification and measurement of share-based payment transactions"  Clarifications to IFRS 2	26 February 2018 (EU 2018/289)	1 January 2018	Yes
Amendment to IAS 40 "Investment property"  Clarifications of the principle of transfer, entry to or exit from the Investment Property category	14 March 2018 (EU 2018/400)	1 January 2018	Yes
IFRIC 22 "Foreign currency transactions and advance consideration" Clarifications to IAS 21 "Effects of changes in foreign exchange rates"	3 April 2018 (EU 2018/519)	1 January 2018	Yes

Accordingly, the CACEIS Group publishes, for the first time from 1 January 2018, its IFRS financial statements under IFRS 9 "Financial instruments" and IFRS 15 "Revenue from contracts with customers".

IFRS 9 "Financial instruments" replaces IAS 39 "Financial instruments: recognition and measurement". It sets new principles governing the classification and measurement of financial instruments, impairment of credit risk and hedge accounting, excluding macro-hedging transactions.

IFRS 9 is applied retrospectively with a mandatory effective date of 1 January 2018 by adjusting the opening balance sheet on the date of first-time application, with no restatement of the 2017 comparative financial statements. Consequently, the assets and liabilities relative to 2017 financial instruments are recognised and measured under IAS 39.

IFRS 15 "Revenue from contracts with customers" will replace IAS 11 "Construction contracts" and IAS 18 "Revenue", along with all interpretations relating to (IFRIC 13 "Customer loyalty programs", IFRIC 15 "Agreements for the construction of real estate", IFRIC 18 "Transfers of assets from customers" and SIC 31 "Revenue – Barter transactions involving advertising services").

For the first-time application of IFRS 15, the CACEIS Group has chosen the modified retrospective method without comparison with the 2017 financial year. The application of IFRS 15 did not have any material impact on earnings or equity.

Moreover, as long as the early application of standards and interpretations adopted by the European Union is optional for a period, this option is not selected by the Group, unless otherwise stated.

This in particular applies to:

Standards, amendments or interpretations	Date published by the European Union	application:	Applicable in the Group
Amendment to IFRS 9 "Financial instruments" Options for early redemption with negative penalty	22 March 2018 (EU 2018/498)	1 January 2019 <sup>(1)</sup>	Yes
IFRS 16 "Leases" Replacing IAS 17 on the recognition of leases	31 October 2017 (EU 2017/1986)	1 January 2019	Yes
IFRIC 23 "Uncertainty over income tax treatments" Clarification of IAS 12 on measuring and recognising a tax asset or liability when there is uncertainty as to the application of tax legislation	23 October 2018 (EU 2018/1595)	1 January 2019	Yes

<sup>&</sup>lt;sup>(1)</sup>The Group decided to apply the amendment to IFRS 9 early from 1 January 2018.

# IMPACTS OF THE APPLICATION OF IFRS 9 AT 1 JANUARY 2018

The application of IFRS 9 had an impact mainly on the classification and the valuation of debt instruments and this translates on the assets side of the balance sheet into:

- A reclassification of 522 million EUR of assets available for sale at fair value through profit or loss: this reclassification has no impact on the valuation of securities portfolio and thus on the consolidated reserves.
- A reclassification of 7320 million EUR of loans and advances due from banks in financial assets at fair value through equity that led to a revaluation of assets to 60 million EUR for an impact of 45 million EUR in shareholders' equity after deferred taxes. This reclassification concerns essentially HQLA securities.
- A reclassification of 12315 million EUR of assets available for sale at financial assets at amortised cost: the fair value recognised in IAS 39 is cancelled in IFRS 9 for an amount of 182 million EUR and for an impact of -135 million EUR in shareholders' equity after deferred taxes. These securities are exclusively issued by Crédit Agricole S.A. Group entities and essentially by Crédit Agricole S.A.

The other types of impacts are non-material on the balance sheet presentation and the shareholders' equity.

These impacts are incorporated into column "01/01/2018" of the balance sheet and also integrated into the line "Impacts of the adoption of IFRS 9" of the Statement of changes in equity.
