

Emeric Laforêt – Member of the Executive Committee of CACEIS, in charge of the international division

Emeric Laforêt, 55, graduated in engineering from the Ecole Centrale de Nantes and obtained a diploma from the Centre d'Etudes Supérieures de Banque. He spent the early years of his career at the banking and financial head office of the Caisse des dépôts et consignations where he was first head of the international development department and then Deputy General Manager of the custody function. In 2000, Emeric Laforêt joined the Crédit Lyonnais where he was in charge of the security business line of the group. Later, in 2004 he joined the Crédit Agricole where he was Deputy General Manager of Crédit Agricole Investor Services Bank (CA-IS Bank), in charge of the development. Emeric Laforêt has been in charge of business strategy and development of the CACEIS group since its creation in 2005. Since October 2008, he is member of the Executive Committee of CACEIS.
