**Specific services for private equity and real estate funds**

We can provide support for your business by handling complex and time-consuming tasks, either on a full-time basis or on-demand during activity spikes, and also perform one-off tasks if required.

- CACEIS can take over the following functions:
  - Monitoring fund lifecycles
  - Generating investor reports
  - Cash management
  - Monitoring calls and distributions
  - Look-through (Solvency II)

**>> By outsourcing these activities to CACEIS, you can convert fixed operating costs into variable costs while enhancing quality of service for investors (in terms of operational, regulatory and tax reporting,**

**and look-through aspects). This frees up your in-house resources to allow greater focus on making investment decisions and raising funds.**

**KEY BENEFIT**

**We can deliver our services on a white label basis.**

- Management of fund subscribers and support for white label distribution
  - AML/KYC
  - Register-keeping and tax reclaim
  - Tax report production for subscribers and tax processing of fund distributions
  - Provision of web tools for asset management companies, distributors and subscribers
- Equity bridge financing or temporary financing for private equity and real estate funds
  - After an in-depth analysis of the quality of the fund's investors, CACEIS can act as lender to funds for amounts that may go beyond overdrafts.

**>> Optimisation of fund's cash flow management, increases predictability and improves the fund's IRR.**

**Specific services for securitisation funds**

- For institutional investors
  - Support for investments in securitisation vehicles: subscription management, recording of assets held by securitisation vehicles, risk management, recovery monitoring, monitoring of covenants and look-through within the framework of Solvency II
- For asset managers
  - Middle-office outsourcing
- For originating banks
  - Depositary function for regulated securitisation vehicles
  - Settlement bank for regulated and non-regulated securitisation vehicles

**AN ALL-ROUND VIEW OF YOUR BUSINESS ENSURING FULL COMPLIANCE WITH ALL REGULATORY REQUIREMENTS**

By entrusting your portfolios to CACEIS, you have an overall view of your investments and funds managed across the world. With our unified technical platform implemented across our network, you are guaranteed standardised reports for all our depositary, middle office, financing and banking services wherever you operate. Each country's specific tax and regulatory requirements are taken into account via local investment management and fund administration platforms.
