

CUSTODY

CACEIS is an asset servicing banking group, offering a comprehensive range of services covering local and global custody, payments, forex and cash management to institutional investors, investment management companies, funds, banks, broker dealers and corporates.

CHALLENGES AND OPPORTUNITIES

In today's market environment, choosing a reputable custodian, with solid financial backing, secure and highly-controlled processes and therefore the ability to ensure the effective safekeeping of clients' assets, is of paramount importance.

BESPOKE SERVICE DESIGN

Our services are designed to incorporate a high level of flexibility and the emphasis we put on gaining a thorough understanding of your business practices combined with our recognised expertise in custody ensure our solutions are a perfect fit for your unique and changing requirements.

SECURE AND HIGHLY-CONTROLLED ENVIRONMENT

ASSET SAFETY

- CACEIS's financial strength and stability backed by a solid shareholder, Crédit Agricole Group
- Robust risk management mechanism covering operational, credit and financial risks
- Prudent independent sub-custodian selection in full compliance with regulations, with close monitoring and regular review of our network, through on-site due diligence and annual assessments

HIGH-QUALITY OF CUSTODY PROCESSES

- Constant focus on quality recognised by industry: ISO 9001 certification, SSAE 16 & ISAE 3402 TypeII audits
- Fully-controlled automated processes, ensuring high reliability and reduced operational risks
- Continuous risk assessment and improvement of operational procedures
- High level of STP at all steps and full SWIFT capability
- Advanced and secure IT
- Flexible communication platform with secure data exchange and high information exchange flow capacity

GROUP-WIDE EFFICIENCY AND SERVICE INTEGRATION
