

# FUND ADMINISTRATION

As one of the world's largest fund administrators, CACEIS has a long history of providing flexible and reliable solutions to its clients, both asset management companies and institutional investors, from the most straightforward to the most complex investment strategies. Our fund administration systems are fully interfaced with other CACEIS platforms (depository/trustee, custody, middle-office and fund distribution) and can easily be connected to external ones.

## CHALLENGES AND OPPORTUNITIES

With a strong foothold in the industry, CACEIS is your partner of choice. In today's market environment, we are focused on responding to your ongoing market challenges through our extensive fund administration services. We can support multiple structures across multiple domiciles, with expertise in both traditional and alternative investment vehicles. Our global structure combined with our local expertise are designed to support your business development worldwide and allow you to seize new opportunities.

# OLIS MOBILE WEB APP DESIGNED TO SIMPLIFY DAY-TO-DAY BUSINESS

## LEADING TECHNOLOGY

All our services run on cutting-edge, industry-leading technology, which we have rolled out across our global network of companies. In doing so, we ensure clients receive the same high standard of servicing across all CACEIS locations.

## RELATIONSHIP MANAGEMENT

Experience shows that no two clients are alike, which is why we are devoted to understanding each business and every objective. Building a close business relationship and customising our services to the needs of each client ensures a close strategic fit between your company and our services.

## ASSET PROTECTION

Asset protection is a key concept that underpins our entire business philosophy, and is upheld through rigorous controls and ongoing monitoring of all types of risk. And by working with CACEIS, you know you are backed by one of the world's most solid banks, Crédit Agricole.

## REGULATIONS AND BEST PRACTICES

The close cooperation between all our entities ensures that best practices and information on local and international regulatory developments are spread throughout CACEIS, so every client benefits from our combined knowledge and skills, no matter where they operate.
