LEADING TECHNOLOGY

All our services run on cutting-edge, industry-leading technology, which we have rolled out across our global network of companies. In doing so, we ensure clients receive the same high standard of servicing around the world.

RELATIONSHIP MANAGEMENT

Experience shows that no two clients are alike, which is why we devote ourselves to understanding your business and your goals. Building a close business relationship and customising our flexible services to your company's needs, ensures a close strategic fit between your company and our services at all times.

ASSET PROTECTION

Asset protection is a key concept that underpins our entire business philosophy, and is upheld through rigorous controls and ongoing monitoring of all types of risk. And by working with CACEIS, you know you are backed by one of the world's most stable banks, Crédit Agricole.

REGULATIONS AND BEST PRACTICES

The close cooperation between all our entities ensures that best practices and information on local and international regulatory developments are spread rapidly throughout the group, so every client benefits from our combined knowledge and skills, no matter where they operate.
